

# FARMER GRANT PROGRAM

## HEAVY-DUTY AGRICULTURAL TRUCK APPLICATION

### Shared Allocation Pool

#### 1. INSTRUCTIONS AND ELIGIBILITY CRITERIA

Please print clearly or type all information on the application and submit to your local air district: <https://www.arb.ca.gov/app/dislookup/dislookup.php>

Fill out one (1) application for each vehicle. Please note that additional information may be requested from the applicant in order to process this application.

#### **Funding:**

For heavy-duty agricultural (ag) trucks, up to 65% of eligible project costs may be eligible for funding. The new truck must replace an older truck, which is required to be destroyed. The applicant acknowledges that award of cash incentives is conditional upon the approval of the FARMER Shared Allocation Pool Program Administrator and is not guaranteed.

In addition to following the maximum funding percentage guidelines, the Program Administrator reserves the right to limit funding awards to \$135,000 per project; however, exceptions may be made for projects that:

- deal with a unique equipment type;
- benefit disadvantaged communities and/or low-income households or communities, as defined by AB 1550 and SB 535 at the following link: (<https://ww3.arb.ca.gov/cc/capandtrade/auctionproceeds/communityinvestments.htm>);
- are highly cost-effective;
- benefit sensitive receptors such as K-12 schools;
- address a local need.

If you think your project may be eligible for funding over \$135,000, please attach a short explanation to this application.

#### **General Eligibility Criteria:**

To be eligible for funding, projects must meet the criteria described in the FARMER Guidelines, subsequent FARMER Mail-Outs, and all applicable sections of the 2017 Carl Moyer Program (CMP) Guidelines. The most recent FARMER Guidelines are available on the California Air Resources Board's (CARB) website at <https://ww2.arb.ca.gov/our-work/programs/farmer-program>.

These criteria include, but are not limited to, the following:

- Projects must be used in "agricultural operations," as defined by the Regulation for In-Use Off-Road Diesel-Fueled Fleets (Off-Road Regulation)<sup>1</sup>. The definition of "agricultural operations" is as follows:

---

<sup>1</sup> Title 13, California Code of Regulations (CCR), § 2449

FARMER GRANT PROGRAM  
**HEAVY-DUTY AGRICULTURAL TRUCK APPLICATION**  
Shared Allocation Pool

- *“Agricultural Operations” means (1) the growing or harvesting of crops from soil (including forest operations) and the raising of plants at wholesale nurseries, but not retail nurseries, or the raising of fowl or animals for the primary purpose of making a profit, providing a livelihood, or conducting agricultural research or instruction by an educational institution, or (2) agricultural crop preparation services such as packinghouses, cotton gins, nut hullers and processors, dehydrators, and feed and grain mills. Agricultural crop preparation services include only the first processing after harvest, not subsequent processing, canning, or other similar activities. For forest operations, agricultural crop preparation services include milling, peeling, producing particleboard and medium density fiberboard, and producing woody landscape materials.*
- Vehicles replaced by a grant from this program must be destroyed.
- Projects must operate at least 75% of their total activity within California.
- Emission reductions obtained through FARMER projects must not be required by any federal, state or local regulation, memorandum of agreement/understanding with a regulatory agency, settlement agreement, mitigation requirement or other legal mandate.
- No emission reductions generated by the FARMER Program shall be used as marketable Emission Reduction Credits, or to offset any emission reduction obligation of any person or entity.
- No project funded by FARMER shall be used for credit under any federal or state emission averaging banking and trading program.
- Emission reduction technologies must be certified/verified by CARB and must comply with durability and warranty requirements. For the purposes of the FARMER Program, a technology granted conditional certification/verification by CARB is considered certified/verified.

**Heavy-Duty Agricultural (Ag) Truck Eligibility Criteria:**

- Applicants must submit their Truck Regulations Upload and Compliance Reporting System (TRUCRS) Identification Number (ID), Engine Identification Number (EIN), and fleet compliance certificate with this application. Existing vehicles must currently be in compliance with the In-Use Heavy-Duty Diesel-Fueled Vehicles Regulation<sup>2</sup> and be registered in the TRUCRS Reporting program under one of the following provisions:
  - Low-Use Exemption
  - Agricultural Vehicle Extension
  - Specialty Agricultural Vehicle Extension
  - Trucks following the Engine Model Year Schedule of the Truck and Bus Regulation, operating as an “agricultural truck” as defined in the Regulation.
- Existing vehicles must have an engine of Model Year 2010 or older, except for log trucks which may be powered by an engine of any model year.
- The existing vehicle must be in operational condition.
- The owner must be currently registered in California and have been registered in California for the past twenty-four (24) months.
- The owner must be in compliance with federal, state, and local regulations.

**Replacement Truck Requirements:**

- For projects eligible through the Low-Use Exemption, replacement trucks must at minimum meet 2010 emission standards of 0.20 g/bhp-hr NO<sub>x</sub>.

---

<sup>2</sup> Title 13, California Code of Regulations (CCR), § 2025.

FARMER GRANT PROGRAM  
**HEAVY-DUTY AGRICULTURAL TRUCK APPLICATION**  
Shared Allocation Pool

- Replacement trucks must be purchased from a California dealership—no private party transactions are permitted.
- Replacement trucks must have a GVWR greater than 14,000 pounds.
- Glider kits do not qualify as replacement trucks under this program.
- For all replacement new trucks, vehicle purchase must include a minimum one-year or 100,000 mile major component engine warranty for the replacement vehicle, as described in the 2017 Carl Moyer Program Guidelines<sup>3</sup>. Replacement used trucks are not subject to warranty requirements, but the participant must ensure that the truck remains in operation for the life of the contract.
- Replacement used trucks must have less than the miles indicated below on the odometer:
  - Class 8 (GVWR of 33,001 pounds or greater) and Class 7 (GVWR of 26,001 – 33,000 pounds) with heavy heavy-duty (HHD) engines must have less than 650,000 miles;
  - Class 7 (GVWR of 26,001 – 33,000 pounds) with medium heavy-duty (MHD) engines must have less than 350,000 miles; and
  - Class 4-6 (GVWR of 14,001 – 26,000 pounds) must have less than 25,000 miles.

## 2. ATTACHMENT CHECKLIST

**Check each applicable box below to indicate inclusion.**

- Completed application
- Justification statement for funding over \$135,000 (if applicable)
- Proof of baseline truck ownership (*Select one: bill of sale, tax logs, equipment insurance records, bank appraisal of equipment, maintenance/service records tied to equipment, general ledgers*)
- 24 months of complete historical annual mileage (*For example, fuel logs or maintenance logs with odometer readings*)
- Co-funding information (if applicable)
- Dated and itemized quote for replacement equipment, including dealership name and contact information
- Executive order for replacement engine  
(<https://ww3.arb.ca.gov/msprog/onroad/cert/cert.php#4>)
- IRS Form W-9 (for the entity that will sign the grant contract and receive funds, if awarded)
- TRUCRS Fleet Compliance Certificate
- TRUCRS Fleet List located on the Vehicle Info tab showing the compliance option each vehicle in the fleet is using
- TRUCRS General Fleet and Compliance Information Summary showing compliance located on the Compliance Status tab
- Other \_\_\_\_\_

**3. APPLICANT INFORMATION**

Applicant (Organization/Company/Individual Name):		
Person with contract signing authority:		
Contact Name ( <i>if different from above</i> ):		
Phone:	Fax:	
Email Address:		
Business Type:		
Address/Street:		
City:	State:	ZIP Code:
Mailing Address/Street ( <i>if different from above</i> ):		
City:	State:	ZIP Code:

**4. FUNDING DISCLOSURE**

Have any engines or vehicles listed in this application applied for or been awarded Carl Moyer Program funding, or any other incentive funding?  <input type="checkbox"/> Yes <input type="checkbox"/> No
--

If "Yes," complete the following for each engine or vehicle:

Agency applied to:
Date of Agency Solicitation:
Funding Amount Requested or Awarded:
Equipment Make, Model, and Year:
Baseline Engine Serial Number:
Status of Funding:
Please list any other financial incentive, including tax credits or deductions, grants, or other public financial assistance for the vehicle/engine:

**5. THIRD PARTY CERTIFICATION**

**I have completed the application, in whole or in part, on behalf of the applicant.**

Printed Name of Third Party:	Title:
Signature of Third Party:	Date:
Amount Being Paid for Application Completion in Whole or Part:	
Source of Funding to Third Party:	

**6. COMPLIANCE DISCLOSURE STATEMENT**

As an applicant/participant of the FARMER Program, I declare that \_\_\_\_\_  
 (Company Name)

is in compliance with, will remain in compliance with, and does not have any outstanding/unresolved/unpaid Notices of Noncompliance (NON) or citations for violations of any federal, state and local air quality regulations including, but not limited to, the following:

- Cargo Handling Equipment Regulation
- Public Agency and Utility Rule
- Commercial Harbor Craft Regulation
- Sleeper Berth Truck Idling Regulation
- Drayage Truck Regulation (including dray-off trucks)
- Solid Waste Collection Vehicle Regulation
- In-Use Off-Road Diesel Vehicle Regulation
- Stationary Engine Airborne Toxic Control Measures
- Marine Shore Power Regulation
- Statewide Truck and Bus Regulation
- Portable Diesel Airborne Toxic Control Measure
- Transit Fleet Rule

**By signing below and submitting this application, I understand and acknowledge grant requirements and I hereby certify under penalty of perjury that the information in the application and attachments is accurate and true.**
